**Learning Pod Parent-Student Acknowledgment Form**  
**2020-2021 school year**

As a result of the COVID-19 pandemic, Adams 12 Five Star Schools (the “District”) is beginning the 2020-2021 school year in remote learning with supplemental in-person opportunities. The District is offering students the opportunity to attend Learning Pods at District schools, which are a place for students to independently engage in remote learning in a safe and productive environment during standard school hours.

As a condition of a student’s participation in a Learning Pod, students and their parents/guardians must complete and return this acknowledgment form.

Please refer to the District’s [Onward Guide](#) for detailed guidelines regarding staff and student health, visitor management, classroom management, building cleaning and ventilation, etc.

Student and Student’s Parent/Guardian understand and agree to the following expectations, terms and conditions regarding Student’s enrollment and participation in a District Learning Pod:

- Student will arrive to the Learning Pod on time.
- Student will bring a fully charged Chromebook or other suitable device to the Learning Pod.
- Student and Parent/Guardian understand that no in-person instruction will take place during Student’s participation in the Learning Pod.
- Student (with Parent/Guardian’s assistance, if needed) will complete a daily self-health screening, including temperature check, prior to arriving at the Learning Pod.
- Student will follow school-wide behavior expectations, the District’s Student Code of Conduct, and the District’s health and safety guidelines. Such health and safety guidelines include but are not limited to requirements on physical distancing, remaining in assigned cohorts, wearing face coverings, and following other COVID-19 related safety protocols and procedures.

- If Student's behavior disrupts the learning environment or Student fails to comply with the District's health and safety guidelines, Student may be dismissed from the Learning Pod program.
- Student's significant violation of the District's health and safety guidelines will result in immediate dismissal from the Learning Pod program.
- Student and Parent/Guardian will comply with the District's Face Coverings Protocol while on District property.
- Parent/Guardian understands that building access will be restricted and Parent/Guardian will only be permitted into the school building when Student is in need of medical or social-emotional support, or on an emergency basis.
- Student will remain home if Student is experiencing any COVID-19 symptoms. Such symptoms include: fever, cough, shortness of breath, fatigue, muscle pain, chills, headache, diarrhea, nausea, sore throat, or new loss of taste or smell.
- Parent/Guardian will notify staff within 24 hours of Student's onset of any COVID-19 symptoms.
- Student and Parent/Guardian will follow District health and safety guidelines and staff directives regarding how long Student must remain home after exhibiting COVID-19 symptoms and/or after potentially being exposed to COVID-19.
- If Student will not be attending the Learning Pod, Parent/Guardian will contact the school attendance line by 8:30 a.m. to inform staff of the absence. Parents/Guardians are asked to indicate whether Student will be absent from the Learning Pod, remote learning, or both.
- If Student exhibits COVID-19-like symptoms during the school day and staff determines that Student needs to go home, Parent/Guardian or an adult authorized by Parent/Guardian must pick up Student within 30 minutes of the school's notification.
