

Peek at our WEEK

STEM Lab Kindergarten 2019-2020

Learning Intentions

Science:

-I can identify the sun's effect on the Earth's surface.

Technology:

-I can use an iPad for the listen to reading center.
-I can use the Chromebook to access Raz-Kids.

Engineering:

-N/A

Math:

-I can compare weights.
-I can make a smart estimation.
-I can decompose numbers up to 10.
-I can represent and solve simple addition and subtraction number stories.

Reading:

-I can read the poem with fluency.
-I can ask and answer questions about unknown words.
-I can compare and contrast the adventures and experiences of familiar characters.

Writing:

-I can write a personal narrative.
-I can use a capital and a period correctly.
-I can use the word wall.
-I can stretch out words.
-I can use spaces between words.
-I can label my picture.

No School

Just a friendly reminder that there is no school for students on March 16th-March 30th. Since the students will not be at school for this extended period of time, please continue to have your child practice their writing, reading, and math at home. Students have been working on writing a personal narrative. Also, Raz-Kids is a great resource to have your child practice their reading.

No School

Dates to Remember

Monday	Tuesday	Wednesday	Thursday	Friday
2 Picture Day Coffee with Administration	3	4 PTO Dine Out 5280 Burger Bar	5	6
9	10 PTO Meeting 6:15-7:15	11	12	13 STEM Lab Family Fun Fest 6:00-8:00pm
